

## At Providence Care Center my mom has everything she **needs**...and everything she **loves**.

*With 24-hour nursing care and many of the comforts of home, our long-term care balances quality care and quality of life. Providence Care Center offers a variety of services and social activities to keep residents as comfortable as possible.*

*We are committed to creating an environment where home is truly here.*

**For a personalized tour please call  
419.627.2273.**

*Providence Care Center is accredited by The Joint Commission, demonstrating compliance with national standards for health care quality and safety.*

**CHI Living Communities**

*Home is here.<sup>SM</sup>*
